

# Referral Program

Thank you for giving *JLeo Photography* the opportunity to serve all of your photography needs.

Photographers make contact with most of their clients through referrals, so developing a network of clients is a main priority in our business. On behalf of *JLeo Photography* we would like to extend a **Cash Payout** and **Photography Discounts** to everyone who refers clients that book any of our services. This way we can reward you for thinking of *JLeo Photography* when you refer friends and family to us. We have several breakdowns on how much we would payout depending upon the amount of photography services purchased by the person your referred. The more photography services the person you referred has purchased the more Money you get paid.

Below is the referral payout structure:

Client Purchased	You Get Paid
\$0 - \$100	10% Discount on Photography
\$101 - \$500	\$25.00
\$501 - \$1000	\$50.00
\$1001 - \$1500	\$75.00
\$1501 - \$2500	\$100.00
\$2501 - \$3500	\$200.00
\$3501 +	\$250.00
